a One edit, asked two ways

Edit: capital of the Kingdom of Bohemia
Prague → Santiago (Qwen-32B, Study 2)

Asked directly
◆ **"Santiago de Chile."** edit holds

Thinks first

"...I also recall that Chile has a region called the Kingdom of Bohemia... a small area in Santiago..."
"...The capital of Bohemia itself was Prague."

● **"Prague."** edit lost

Unedited model: Prague, asked directly and after thinking.
